

**THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF NORTH CAROLINA
WESTERN DIVISION
Case No: 5:11-cv-00296-FL**

**VEOLIA WATER SOLUTIONS &
TECHNOLOGIES SUPPORT,**

Plaintiff/Counterclaim Defendant,

v.

SIEMENS INDUSTRY, INC.,

Defendant/Counterclaimant.

**ORDER GRANTING PLAINTIFF'S
MOTION TO SEAL**

Having shown good cause, the Court GRANTS Plaintiff Veolia Water Solutions & Technologies Support's ("Veolia") Motion to Seal. The Court finds that Veolia has shown that public dissemination of the contents of document D.240, Exhibit A to Veolia's Reply in Support of Motion for Partial Summary Judgment would do substantial competitive harm to Veolia. As a result, the Court finds the harm to Veolia outweighs the public's First Amendment right of access.

THEREFORE, it is ORDERED that Exhibits A [D.240] remain sealed.

This the 7th day of January 2014.

The Honorable Louise W. Flanagan
United States District Judge for the
Eastern District of North Carolina
